CLARK COUNTY SCHOOL DISTRICT POLICY

P-5136

Deletion/ Addition

~~Personal~~ Non-District-Issued Technology and Electronic Communication Devices

Addition Deletion

I. The ~~Board of School Trustees recognizes that student-owned or student-provided personal technology and communication devices can enhance instruction and student achievement~~ Clark County School District (District) strives to maintain appropriate procedures for implementing the use of ~~student-owned or student-provided personal technology and~~ non-District-issued electronic communication devices ~~for reviewing and evaluating their effect on instruction and student achievement~~.

Addition Deletion/ Addition Deletion

Addition

A. The term "electronic communication device" means any electronic device that is capable of transmitting any audio, written, or pictorial information or message to another electronic device (including wearable devices/technology). The term does not include an electronic device issued to a student by the District or school in which the student is enrolled.

Addition

II. Permitted Uses

Deletion/ Addition Addition Addition Addition Deletion Addition/ Deletion

A. The use by students of ~~personal~~ non-District-issued technology and electronic communication devices, such as cell phones, laptops, tablet computers, or other similar electronic devices, is permitted during scheduled nutrition or lunch periods~~, and school-sponsored activities at all District school campuses~~ and while on District buses unless directed otherwise by District staff ~~During the instructional day, students may only use these devices with the approval of the principal. Use that violates state or federal law, any District policies or regulations, or the Clark County School District Acceptable Use Policy is prohibited~~.

Addition

B. During the instructional day, students may only use these devices:

Addition

1. During an emergency or crisis;

Addition

2. To manage their personal health as prescribed by a doctor;

Addition

3. If a teacher allows for the use of an electronic communication device for instruction purposes;

Addition

4. If the use of an electronic communication device is included as part of an Individualized Education Program or plan developed in accordance with Section 504 of the Rehabilitation Act; or

Addition

5. With the approval of the principal.
